

14th Training Programme for European Residents in Dermatology

PRELIMINARY SCIENTIFIC PROGRAMME

Euroderm Excellence: paving the way for future dermatologists

21st – 24th November 2017
 Radisson Blu Hotel
 223, Promenade des Anglais – 06200 Nice

Tuesday, November 21 st	
	Arrivals & Check-in
12:00 – 14:00	Lunch (lunch box) for residents taking part in the R&D Experience
Optional R&D TRACK - Tour of Galderma R&D site (Sophia Antipolis)	
14:00	Bus to Galderma R&D site
14:00 – 15:00	Travel & Access Badges <i>Note: Please bring a photo ID</i>
15:00 – 15:30	Intro from Galderma R&D
15:30 – 16:00	Intro from Academia
16:00 – 16:30	Workshop 1: Select the right target and design the customized molecule
16:30 – 17:00	Workshop 2: Select the right ingredients to create a robust formulation with cosmetic elegance
17:00 – 17:30	Workshop 3: Objective assessment at early stage of development
17:30 – 18:00	Coffee break & "Bringing Innovation to Life" book distribution
18:00	Return of badges and return to Radisson Hotel
18:00-18:30	Welcome drink
	Free evening

Wednesday, November 22 nd	
06:30 - 08:00	Breakfast
08:00	Scientific Sessions
OPENING SESSION	
08:00 - 08:15	Welcome and Introduction <i>C. Pincelli (Italy - President of Euroderm Excellence 2017) and J. McGrath (UK - President of EDF)</i>
08:15 - 08:20	Compliance Considerations
Genodermatoses and Gene therapy	
08:20 - 09:05	Clinical approach to Genodermatoses
09:05 - 09:50	Gene therapy in dermatology
09:50 - 10:20	Coffee break
Pruritus	
10:20 - 11:00	Pathogenetic mechanisms of itch
11:00 - 11:40	Current management of itch
Hidradenitis suppurativa (HS)	
11:40 - 12:20	HS: from pathogenesis to treatment
12:20 - 13:20	Lunch
Autoimmune Bullous Diseases	
13:20 - 14:00	Current approach to Pemphigus
14:00 - 14:40	Current approach to Pemphigoid
Dermato Venerology	
14:40 - 15:30	Sexually Transmitted Diseases in 2017
15:30 - 16:10	Coffee break
WORKSHOPS	
16:10 - 18:25	Workshop 1: Advanced diagnostic techniques: the use of Reflectance Confocal Microscopy <i>Group A - Room Clipper, Lower Level: 16:10 - 17:10</i> <i>Group B - Room Clipper, Lower Level: 17:25 - 18:25</i>
	Workshop 2: Pediatric clinical cases <i>Group B - Room Frégate, Lower Level: 16:10 - 17:10</i> <i>Group C - Room Frégate, Lower Level: 17:25 - 18:25</i>
	Workshop 3: Setting up and running clinical trials <i>Group C - Room Sirocco & Courants, Ground Floor: 16:10 - 17:10</i> <i>Group D - Room Sirocco & Courants, Ground Floor: 17:25 - 18:25</i>
	Workshop 4: Dermato surgery <i>Group D - Room Mistral, Ground Floor: 16:10 - 17:10</i> <i>Group A - Room Mistral, Ground Floor: 17:25 - 18:25</i>
	* Each participant will follow all 4 workshops over two days (<u>1 hour/Workshop</u>)
	Free evening

Thursday, November 23 rd	
06:30 - 08:00	Breakfast
08:00	Scientific Sessions
Dermato Oncology	
08:00 - 08:45	Cutaneous Lymphoma
08:45 - 09:30	Non-melanoma skin cancer
09:30 - 10:15	Clinical management of melanoma
10:15 - 10:45	Coffee break
Psoriasis	
10:45 - 11:30	Clinical and molecular evidence for psoriasis-associated co-morbidities
11.30 - 12:15	Psoriasis: navigating the treatment armamentarium
12:15 - 13:30	Lunch
Acne	
13:30 - 14:15	Acne and skin microbiome
14:15 - 15:00	Acne rosacea in 2017
Photobiology	
15:00 - 15:45	Current approach to photodermatoses
15:45 - 16:15	Coffee break
WORKSHOPS	
16:15 - 18:30	Workshop 1: Advanced diagnostic techniques: the use of Reflectance Confocal Microscopy <i>Group C - Room Clipper, Lower Level: 16:15 - 17:15</i> <i>Group D - Room Clipper, Lower Level: 17:30 - 18:30</i>
	Workshop 2: Pediatric clinical cases <i>Group D - Room Frégate, Lower Level: 16:15 - 17:15</i> <i>Group A - Room Frégate, Lower Level: 17:30 - 18:30</i>
	Workshop 3: Setting up and running clinical trials <i>Group A - Room Sirocco & Courants, Ground Floor: 16:15 - 17:15</i> <i>Group B - Room Sirocco & Courants, Ground Floor: 17:30 - 18:30</i>
	Workshop 4: Dermato surgery <i>Group B - Room Mistral, Ground Floor: 16:15 - 17:15</i> <i>Group C - Room Mistral, Ground Floor: 17:30 - 18:30</i>
	<i>* Each participant will follow all 4 workshops over two days (1 hour/Workshop)</i>
19:15	Meeting point (Hotel Entrance)
19:30	Farewell Dinner & Diploma Ceremony

Friday, November 24th	
06:30 - 08:30	Breakfast
08:30	Scientific Sessions
Skin inflammation	
08:30 - 09:15	New insights in adverse cutaneous drug reactions
09:30 - 10:15	The inflammasome and skin diseases
10:15 - 10:45	Coffee break
Out of the box session	
10:45 - 11:30	How to read/write scientific papers
11:30 - 12:15	Top 5 future challenges in dermatology
12:15 - 12:45	Top 10 Residents Ceremony
13:00 – 14:00	Lunch
	Departures
